Gender structure in the supervisory bodies

With respect to the recommendation concerning balanced participation of women and men

in the company's governing bodies, the Management Board of the Company points out that it has no influence on the composition of the Company's main governing bodies. However, in the case of changes in the composition of key bodies of the Company, the Company's Management Board tries to present to the bodies authorised to appoint candidates to these bodies the requirements which they should meet in accordance with the Good Practices and other legal regulations.

Moreover, the Management Board of the Company wishes to stress that according to the [**Agora Group's diversity policy**](#) adopted in December 2015, the main criteria for selection of candidates for all managerial positions, remaining in the competencies of the Management Board, include expertise, experience and skills necessary to perform the function in question.
